

The Figure Skate Company

# JACKSON 2000 SERIES

## 5000 Series Features / Lightweight Performance

Custom Fit  
in Minutes

### HEAT MOLDABLE

- Our **flagship technology**, heat softens and stretches the boot to conform to every curve, then cools to **retain the shape of your foot**
- Custom fit in **minutes**

### JACKSON WRAP

- Wraps the boot to the skater's foot to provide superior **stability** and **support**
- New for 2019, leather insert for **soft** feel and added **strength**

Nathan Chen

2x World Champ in Jackson Boots

### SUPPORT RATINGS

- Support ratings ranging from **35** (moderate) to **70** (strong)
- Fit the boot to the skater's **skill level** and physical characteristics.

### RAPID CUSTOM

- Customize width through **non-stock lasts** and **boot modifications**
- Select the sole and tongue
- Delivered in **2-4 weeks** at a **fraction of the cost** of full custom boots

WHERE INNOVATION MEETS TRADITION
