

# Matrix™ Legacy

## LIGHTWEIGHT PERFORMANCE

Cross Cut Pick

33% LIGHTER!

- Lightweight Aircraft Grade Aluminum Chassis found in our Advanced Series
- 420J Stainless Steel Runner is harder than carbon steel, creating faster glide with enhanced edge control and less frequent sharpening

Lighter, Faster with the Superior Edge Control of Stainless Steel.

Matrix is also available in colours:

Technology Is Our Edge

## LEGACY LITE

Designed in response to demand by top coaches, the lightweight cutout design with chrome finish in our Legacy Lite series is the perfect graduation from our Introductory blades.
